Our school strategies are on track to meet or exceed our targets

During 2014, we have focused on maximising the benefits of this funding for our students. After reviewing our Great Results Guarantee agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- Employed teacher aides focused to improve reading based on class/school/state data.
- Used data to identify learning gaps and design learning goals and plans for students.
- Engaged skilled early years, literacy coach to provide a coaching experience around reading procedures for every teacher and teacher aide.
- Introduced peer coaching for the Prep-3 teachers.
